MINOR CURRICULAR CHANGE

Changes in Course Prerequisites within the Finance Specialization

I. Details

A. Change Requested

Please see attached sheet for prerequisite changes within the Finance Specialization.

B. Sponsors

Carol N. Welsh and George C. Romeo, Department of Accounting & Finance

II. Rationale

A. Need

In accordance with the Standards for Accreditation of Business Administration programs of AACSB – The International Association for Management Education, no student will be permitted to enroll in upper division courses (level 300 and higher) offered by the College of Business unless he or she (1) is a Business Administration or Accounting Major, (2) is pursuing a Business Minor, (3) is taking an upper division course as a recommended elective as part of a major program offered by another College of Rowan University, or (4) is taking an upper division course as a non-matriculated student for transfer to another academic institution.

B. Impact on Program

Will eliminate the need for most Prerequisite Waiver Forms.

III. Results of Consultation

This change was approved by the faculty in attendance at the College of Business Faculty Meeting on February 4, 2000 as a result of recommendations made by the AACSB consultant, Dr. William R. Word, Dean University of South Carolina at Spartanburg on February 4, 2000.
