## Minor Curricular Change Proposal

### 1. Details:

- a. Change of HEGIS number: Finite Element Analysis  
From 0901.502 to 0901.510
- b. Steven Chin

### 2. Rationale:

- a. The change will result in a consistent numbering system in the course offering in the engineering program. The original numbering did not reflect this, and will be corrected with this change.
- b. There are no effects on the curriculum in any of the engineering programs.
- c. There are no changes in requirements of Majors or Minors.

### 3. Results of Consultation:

- a. All engineering programs agree with the change. There is no effect in any other departments or programs outside the College of Engineering.
- b. None required.
