MINOR CURRICULAR CHANGE

FRENCH CONCENTRATION

1. Details

- (a) i. Change requested from CONCENTRATION to MINOR
- ii. Change requested from current configuration of concentration to configuration of minor outlined following:

FRENCH LANGUAGE MINOR.....	18 s.h.
Elementary French I.....	3 s.h.
Elementary French II.....	3 s.h.
Intermediate French I.....	3 s.h.
Intermediate French II.....	3 s.h.
Any two upper level courses offered in French.....	6 s.h.

A student who has two or more years of French in high school may start the Minor with the Intermediate courses and may take additional upper level courses in French to fulfill the Minor requirements.

- (b) Sponsored by the Department of Foreign Languages and Literatures.

2. Rationale

- (a) To bring the title of the grouping of these courses into conformity with the memorandum of April 3, 1986 from Dr. Bolay, Chairperson, Faculty Senate Curriculum Committee regarding Curricular Review of Concentrations.

To make minor curricular revisions to the extent of including Elementary French I and II in the minor pattern, to allow more students to pursue a French minor. This latter "need" has in mind the current directions and directives to internationalize the curricula at GSC.

- (b) In the existing Concentration Elementary I and II have been prerequisites. We wish to give credit for these courses, recognizing the effort that goes into the first year of language study.

This (revised) minor will be more attractive and practical in terms of staffing and will give a wider opportunity for all students to fulfill a French Minor. Goals (knowledge of the language and culture) remain the same.

3. Results of Consultation

- (a) All faculty of the GSC Department of Foreign Languages and Literatures participated in discussion of this change, and were unanimous in their approval of it.
