Re: Change in number of credits (3 cr. to 2 cr.) for Freshman Engineering Clinic I and II

Date: February 23, 1998

The College of Engineering requests that both Freshman Engineering Clinic I and Freshman Engineering Clinic II be changed from 3 credits to 2 credits. Neither the objectives nor outline for the courses have changed. The number of contact hours for each course is consistent with the proposed 2 credit designation.

Considerable discussion by the faculty in each of the engineering programs led to this change. The new, and approved, curriculum in each engineering program reflects this change.
