Dear Dr. Burnham:

RESOLUTION #6

APPROVAL OF NOMENCLATURE CHANGE FROM B.A. IN HEALTH AND PHYSICAL EDUCATION TO B.A. IN HEALTH AND EXERCISE SCIENCE

WHEREAS, the Department of Health and Exercise Science in the College of Education has requested that the nomenclature of the undergraduate major in the Department to Health and Exercise Science be changed from Health and Physical Education to Health and Exercise Science, and

WHEREAS, the Senate Curriculum Committee, the University Senate, and the Dean of the College of Education have approved the request for the Department of Health and Exercise Science to change the name of its major, and

WHEREAS, the proposed name change does not affect the curriculum or the three specializations offered by the department; nor will the name change have any effect on state of New Jersey certification for teaching health and physical education (K-12), and

WHEREAS, the new name of the major, Health and Exercise Science, would provide consistent terminology between the name of the department and the nomenclature of the major, and

WHEREAS, the Executive Vice President/Provost and the Academic Affairs/Campus Life Committee of the Board of Trustees have approved this nomenclature change

THEREFORE BE IT RESOLVED that the Board of Trustees of Rowan University approves the nomenclature change of the major Health and Physical Education to Health and Exercise Science.

SUMMARY STATEMENT

This resolution authorizes the President to proceed with the nomenclature change of the major from Health and Physical Education to Health and Exercise Science. Notice will also be forwarded to the President's Council as well as the Commission on Higher Education.

2. Rationale:

a. Need: This change is semantics only to provide terminology consistency between the name of the department and the name of the major.

b. Curricular Effect: None.
