Minor Curriculum Change Proposal

1. Details

- a. Change Requested: Change in name for Senior Seminar, Student Teaching in Health & Physical Education, 2 sh.

From: Senior Seminar, Student Teaching in Health and Physical Education, Secondary School.

To: Health and Physical Education Clinical Seminar.

- b. Sponsors: Peter Rattigan, Ph. D., Assistant Professor, HES, Melvin Pinckney, Assistant Professor, HES, Nancy Buhner, Assistant Professor, HES, Richard Fopeano, Ph. D., Chair, HES.

2. Rationale

- a. Statement of need for change: The department of Health and Exercise Science began a revision process during the 2003-2004 academic year to align professional education courses with the New Jersey Administrative Code adopted in January 2004. This process has occurred alongside the evolution of the College of Education mission, revised in spring 2004, which recognizes teachers, students and pupils as members of learning communities. The name change is necessary to make the course title congruent with current terminology in the field of teacher preparation.
- b. Statement of curricular effect: none.
- c. Changes in requirements of major or minor: none
