Minor Curricular Change

1. Details

- a. Change requested: Prerequisite change 2204.200 History of Economic Ideas

From: 2204.101 An Introduction to Economics-A Macroeconomic Perspective and 2204.102 An Introduction to Economics-A Microeconomic Perspective or instructor's permission

To: 2204.101 An Introduction to Economics-A Macroeconomic Perspective or instructor's permission

- b. Move this course from the bank of required courses to the bank of Economics electives. This will reduce the number of required hours from 21 to 18 and increase the number of hours in economics electives from 15 to 18.

- c. Sponsor: The Department of Economics.

2. Rational

- a. The department is participating in the Association of American College's Reforming the Major Project. As part of the process, a consultant visited the campus on June 3, 1993 and recommended this course of action. The Department agrees.

- b. According to our association of American College's consultant this course is rarely a required course in economic major programs in the nation. It is also deemed constructive to reduce our number of required courses by one course. History of Economic Ideas will still be offered as an elective course.
