GLASSBORO STATE COLLEGE
Glassboro, New Jersey 08028

TO: Dr. Shirley O'Day, Chairperson, Curriculum Committee
FROM: Dr. Theodore M. Zink, ^{Chairman} Chairman, Law/Justice Studies
RE: Proposal for course title/credit change

Change requested:

From: In-Service Project 6 credit hours
To: In-Service Project: Law Enforcement 6 credit hours
In-Service Project: Corrections 6 credit hours
In-Service Project: Courts 6 credit hours

5/6/77
Approved
Shirley O'Day

Statement of need:

Pre-service students in Law/Justice Studies lack experience with any justice related agency & are often compelled to select a major based on a single type of field placement. The college provided Ms. Cronin, Asst. Prof., 3 hours credit in-load to develop a more comprehensive In-Service program. This proposed change is based on her recommendation & will permit more meaningful student field study.

Evidence of consultation:

The issue was discussed & agreed upon in departmental meetings in consultation with many students in Law/Justice Studies. Their expressed needs are the basis for the present request.
