Notification forwarded: Senate Curriculum Committee Chairperson, Department Chairperson(s),  
Academic Dean(s), Registrar, Sponsor(s)

## Title Change Rationale

Communications Projects I and II date back to the time when the department had a few specializations and were courses students took during the regular semester. The activities were generally on-campus activities.

Internship involved off-campus activities and was offered summers.

However, students today can do Projects or Internship both on and off campus and both during the regular semester and summers.

The title changes would reflect this practice.
