RE: Attached Major Approval Form

Would you please clear the air on the attached major. It is my understanding that the major that should have been approved was Liberal Studies and that American Studies is not a part of its title. The American Studies phrase is a specialization/track within Liberal Studies, but the major is only Liberal Studies. Since the wording of this appears on a student's record, I would like to fully understand what was actually approved. Thank you.

Attachment

Major should be called:

Liberal Studies: American Studies

New major is being generated called:

Liberal Studies: Math/Science
Proposal Title: Liberal Studies Program: American Studies Major
