2. Rationale

- a. **Need for the Change:** The above courses have not been taught for more than 10 years, nor will be offered in the future as part of the Management curriculum. They are no longer listed in the University Catalogue, but are still on the Registrar's course list. Thus, there is a need to remove these courses from the Registrar's course list to keep the system updated.
- b. **Curricular Effect:** Removing these old management courses from the Registrar's list will have no impact on the current Management curriculum and other business programs.

- 3. Letters of Consultation:** None necessary.
