MINOR CURRICULUM CHANGE
(DELETION)

1. Details

a. Change Requested:

Deletion: 0504.320 Managerial Finance

b. Sponsor:

Drs. G. Meric, C. Ng, R. Pritchard
Department of Accounting and Finance

c. Implementation:

Starting Fall Semester, 1998

2. Rationale:

a. Statement of "Need" for Such a Change:

In AACSB-accredited business schools such as Rider's College of Business Administration, advanced financial management topics are taught in two required financial management courses. We plan to delete "0504-320 Managerial Finance" and offer two new "Financial Management" courses. This change will strengthen our finance curriculum by enabling the finance majors to learn more about financial management issues.

b. Statement of Curricular Effect:

Starting in the Fall-1998 semester, finance students will not be required to take "0502.311 Intermediate Accounting II". Instead, they will be required to take "Financial Management I" (which will replace "0504.320 Managerial Finance") and "Financial Management II" (which will replace 0502.311 Intermediate Accounting II) (Please see the two new course proposals for Financial Management I and II).

3. Results of Consultation:

The deletion of "0504-320 Managerial Finance" was discussed in the September-1997 meeting of the Department of Accounting and Finance and it was approved unanimously.

Students from other disciplines are not required to take "0504-320 Managerial Finance". Therefore, no other department is potentially involved.
