MINOR CURRICULAR CHANGE

OPERATIONS MANAGEMENT

0506.30~~4~~

1. Details

a. Change Requested

Prerequisite deleted

Calculus: Techniques & Applications  
1703.125

b. Sponsor

Diane Hamilton, Department of Management & MIS

2. Rationale:

a. Statement of need for such a change

This course requires significant mathematical preparation on the part of the student, however, it does not require or use Calculus. Therefore, rather than ignoring the prerequisite, or maintaining a prerequisite that is not functional, the prerequisite should be deleted.

b. Statement of curricular effect

There is no curricular effect.

3. Results of Consultation

a. Parties consulted

Since this doesn't affect any other department (Calculus: Techniques & Applications will still be required for a B.S. in Business Administration; it will just no longer be a prerequisite for this specific course) no consultations were made.

b. Consultation results

Not applicable
