from: 0702.322, Principles of Systems Design

to: 0702.4xx, Principles of Systems Design CS 0141

B. Sponsor: Jennifer Nicholson and Daniel McFarland, Department of Management & MIS

RATIONALE

A. To support the project-based learning initiative, students will be assigned comprehensive roles in completing real-world projects within the Principle of Systems Design course. As a result, students will need to possess extensive prerequisite knowledge, hence the prerequisite course requirements will be increased.

B. There is no programmatic change associated with this proposal.
