1. Details

A. Change Title From: C & M Mathematics (0802.313)

To: Teaching Mathematics in the Elementary School
(0802.313)

Change Credit Hours From: 4 s.h.

To: 3 s.h.

Change to be effective Fall, 1984 Semester

B. Sponsor: Elementary Education Mathematics Curriculum Committee
Dr. George Brent, Chairperson

2. Rationale

A. We feel a change of name will better communicate the nature of the course.

B. The change of credit hours from 4 to 3 will reflect in a reduction in the number of observation hours. This will not greatly impact on our program due to observation hours being included in the course Sophomore Field Experience.

3. The following Division members were consulted orally on this proposal: Dr. Janice Weaver and Dr. Marion Rilling who expressed approval of the objectives of this proposal.
