

Summer 2009 Loan Worksheet

Loans for all summer sessions must be applied for and originated before June 25, 2009. After this date, Rowan will not be able to certify any federal loans for summer. You must apply for the loan by the June 25, 2009 date even if you are unable to register for your classes until the July session. Please indicate on the worksheet how many credits you intend to complete during the summer sessions. If you do not register for as many credits as intended, it is necessary to report to the Financial Aid Office the revised number of credits of your summer registration.

You will only be eligible for a Student Stafford Loan for your summer enrollment, if you did not borrow all your grade level loan eligibility during the Fall/Spring 2008-2009. If you used all your loan eligibility, inquire from the staff if you need a Parent PLUS loan or an alternative loan. If you do not have Student Stafford Loan eligibility, your parent can go to the Rowan financial aid website and apply for a Parent PLUS loan. You may apply for an alternative loan.¹

How many credits will you be taking during the summer? (combination of all sessions) _____

Remember: Summer courses are always subject to change!

You must enroll at least half-time (6 undergraduate or 4.5 graduate credits) to be able to borrow from the above programs except for the Chase Bank Loan which allows for fewer credits! Students who fail to ENROLL and COMPLETE the minimum required credits will have their aid cancelled and will become responsible for any outstanding charges.

¹Alternative loan borrowers have the right to select the lender of their choice and will not suffer any penalty or unnecessary delay by the University for choosing a lender that is not on this list.
