

ROWAN UNIVERSITY
Office of Financial Aid
Satisfactory Academic Progress Appeal Form
General Information

1. You have the right to appeal the suspension of your financial aid if you had extenuating circumstances that prevented you from doing as well as expected.
2. Your appeal will not receive consideration unless it is accompanied by proof of the event and/or circumstance.
3. Your appeal must be filed timely and must include not just an explanation and documentation of events and/or circumstances but it must also provide explanation of actions taken to prevent reoccurrence of same event/circumstance.
4. A committee will review your appeal and you will be notified of the decision within 2 weeks of our receipt of the appeal. The committee can accept your appeal and grant you aid for an entire year, accept it but grant your financial aid for just one semester or deny your appeal.
5. Your appeal for reinstatement of financial aid is independent of any action the academic departments may take. If you are also being academically dismissed by your College or by the University, you must deal with that fact separately. If your dismissal is suspended or reversed, please note that that decision does not affect your financial aid eligibility.
