Faculty are encouraged to provide an end-of-course learning experience for every course. The faculty are encouraged to utilize the time set aside during the final week as published in the Schedule of Courses. Times are provided for every class, and normal meeting times are used for evening classes. "Common examination" times must be approved by Department Chairs and arranged with University Scheduling. If a faculty member does not give a final examination at an officially allotted time during final week, he/she is required to use that time for instructional purposes. All efforts will be made to schedule once-per-week double period courses on their normal meeting day, and as close to normal meeting time as possible. Evening classes shall meet during final week at the regular times for the purposes of either a final exam or other instructional activity.*
