ENGRAVED BRICK DONOR RECOGNITION PROGRAM

In 2003, the Alumni Association began the Engraved Brick Donor Recognition Campaign to acknowledge alumni and friends who support the SOM Annual Fund. Relatives have an opportunity to personalize a brick for their graduate that will be placed in the “Osteopath,” a meditation garden outside of the Academic Center. Proceeds from this campaign will be allocated for student scholarships at RowanSOM.

We hope you will celebrate a lifelong connection to RowanSOM by personalizing a brick in the Osteopath.

Your support will leave a lasting Impression!

$325 if you order by June 30
I would like to make a tax-deductible contribution to student scholarships at Rowan University School of Osteopathic Medicine and “leave a lasting impression.” Please process my gift of $325 ($400 after June 30th). This gift entitles me to one engraved brick along the Osteopath’s Tribute Pathway in my graduate’s name.
