

**Rowan University
Forward to Freedom
The Seeing Eye Puppy Program
Process for Gaining Approval to Raise a Seeing Eye Puppy**

Process

Perspective dog hosts must be active members of R.U.F.F.

Perspective dog hosts must contact the R.U.F.F. Leader or Graduate Advisor for information and an application for consideration.

All applicants must have at least 24 earned credits and a GPA of 2.50 and maintain full time student status.

All applicants must apply as a group of four students all agreeing to all rules and regulations of R.U.F.F., Rowan University, and The Seeing Eye.

All applicants must have no outstanding discipline. In addition an applicant's disciplinary record will be evaluated.

All applicants will be checked via Google, Facebook, and MySpace.

After an application has been submitted the applicants must attend one informational meeting and one group interview (all members of the group (4) must attend).

All members of the hosting apartment must complete an application with The Seeing Eye and be approved.

After all applications and approvals have been met, a committee consisting of representatives from Rowan University and The Seeing Eye will select the groups to host puppies.
