RFP 15-100
Plaques & Inserts for the Athletics Department

Questions & Answers

Question #1
Within the RFP it states the plaques will be securely fastened to the lockers and also it states that the Plaques must have the ability to be removed. What is the purpose of moving the Plaques? How often will the Plaques be moved?

Answer #1
The plaques/inserts are for life-time naming rights. So once the plaques/inserts are installed on our current lockers, if the University were to build new facilities for athletics those plaques would have to be moved and reinstalled on the new lockers. Plaques will most likely be moved once within the next 10 years.
