4 promoted in the scholarship pathway

For standard designation Assistant Professor promotions only:

Number of promotions in 2022-2023: 1

Average (mean) number of scholarly products: 1

Median # of scholarly products = 1

Scholarship of Practice and Teaching Pathway Candidate: A special pathway, the Scholarship of Practice and Teaching for Clinical Faculty, was created to recognize that some faculty at CMSRU dedicate themselves totally to the efforts of superlative teaching, clinical care and program development. Although traditional scholarly productivity is not required for clinical faculty in this pathway, it is encouraged.
