

CHART OF THE MSMPI CURRICULUM

	Course	Course Director	Day	Time	Stratford campus	Hamilton campus
Year 1 Fall					Credits	Credits
	Biochemistry and Molecular Biology	Caradonna	T	5-8pm	3	
	Cell Biology	Markov	W	5-8pm	3	
	Molecular Pathology and Immunology Seminar	Nickels	W	9-11am		2
	Mol Path & Immuno Lab Rotation I (7 weeks; 09/14/20-10/30/20)	Mentor				1
	Mol Path & Immuno Lab Rotation II (7 weeks; 11/02/20-12/18/20)	Mentor				1
	Responsible Conduct in Research Training (10/5/20-12/11/20)	Neary	F	12-1pm	0	
	December 31- Select a lab to perform thesis research					
						10
Year 1 Spring						
	Topics in Molecular Pathology and Immunology	Nickels	T & Th	10am-12pm		4
	Techniques in Molecular Diagnostics	Nickels	M-F	as needed		2
	Mol Path and Immuno Research I	Mentor				1
	March 15- Thesis Advisory Committee nomination form due					
	Due in the month of April - Thesis Proposal					
						7
Year 1 Summer						
	Mol Path and Immuno Readings I	Bommireddy Venkata	Th	3-5 pm		2
	Mol Path and Immuno Research II	Mentor				2
						4
Year 2 Fall						
	Mol Path and Immuno Readings II	Nickels	Th	3-5 pm		2
	Mol Path and Immuno Thesis Research	Mentor				7
						9
Year 2 Spring						
	MS Thesis Continuation (* no tuition; matriculation fee only)	Mentor				* 9
	February 1-Thesis Defense					

39 credits for the program

Responsible Conduct in Research training is a non-credit requirement that is a 10 week session

Full time status: Fall/Spring Terms are 9 credits Summer Term is 4 credits
