Printable signage catalog Standard 8.5x11

INSTRUCTIONS

Determine the sign(s) you'd like to print by page number. Select your desktop or network printer from the print menu. Choose the Pages radio button under **Pages to Print** and type the pages you'd like separated by a comma. Be sure to change the quantity if you require more than one sign.

TIP

For best results, under **Page Sizing & Handling**, select "fit" and under **Orientation**, select "portrait."
