

CENTER FOR PROFESSIONAL SUCCESS

FOCUS ON YOUR FUTURE

The Center for Professional Success (CPS) is a comprehensive resource center that supports the academic and career development of College of Humanities & Social Sciences' students.

The CPS provides several services to support you throughout your academic and professional journey.

- Career Development Workshops
- Internship & Job Search Assistance
- Mock Interviewing
- Networking Events
- Resume & Cover Letter Revisions
- Travel Funding for Conferences

The CPS also provides additional services to bolster students' occupational wellness. These include:

- Allowing students to receive academic credit for completing an internship.
- Having a Faculty in Residence position to support students applying to graduate school.

Center for Professional Success
