

NJ Victory 2026 Field Fellowship

Cory Booker and Democrats up and down the ticket are seeking passionate people ready to join the fight to elect Democrats and educate voters across the state of New Jersey. Fellows will be a part of a team that is mobilizing voters, in preparation for the 2026 November General Election.

About the Program

Fellows will have access to our skilled campaign team that is planning a dynamic and ambitious plan to win in November. You will get hands on field experience and help with key components of our program's success through:

- **Direct voter contact including, but not limited to:**
 - Modes such as High Traffic Canvassing, Door-to-Door Canvassing, Phonebanking, Friend-banking, and more
- **Learning about Campaign Field Event Planning:**
 - Assisting our team with canvassing and/or virtual events
 - Opportunities to understand campaign visibility/presence at community or campus events.
 - Witness the process of procuring event essentials such as securing locations and event attendees.
- **Relationship building:**
 - Observe the process of relationship and community building that are essential to a campaign's success.

Experiences May Include:

- Learning how to empower communities across New Jersey to make political change
- Help to execute creative plans to contact and mobilize voters
- Supporting outreach activities
- Behind the scene look at running phone banks, canvasses, text banks, and other voter contact efforts
- Learning how to use the Voter Activation Network (VAN), a voter database system utilized by Democratic campaigns across the country

Desirable Fellows are:

Interested people that have a positive attitude, an excitement to learn what makes a campaign successful, and a desire to make a meaningful impact in their local communities by electing Democrats at every level of government. They are able to commit at least 10 hours per week to the campaign. No experience, no problem! All are welcome. Fellows will be accepted on a rolling basis.
