

TO: Rowan SOM Students Class of 2018, 2019, and 2020

FROM: Carl E. Hock, Ph.D.

DATE: December 6, 2016

SUBJECT: Additional Research Opportunities for the 2017 SMRF Program

Below is a listing of additional research opportunities that are available for 2018, 2019, and 2020 SOM Medical Students who have an interest in submitting applications for approval to participate in the 2017 Summer Medical Research Fellowship Program.

Contact Name/Department	Contact Information (Phone Number and Email Address)	Project Title/Information
Dr. Katrina Cooper Associate Professor Dept. of Molecular Biology	Phone: 856-566-2887 Email: cooperka@rowan.edu	"The Role of Cyclin C in Stress Mediated Cell Death."
Dr. Renee Demarest Assistant Professor Dept. of Molecular Biology Dept. of Cell Biology and Neuroscience	Phone: 856-566-6402 Email: demarest@rowan.edu	"Development of a Novel In Vivo Therapeutic Screening Method and Identification of Inhibitors for T-cell Acute Lymphoblastic Leukemia Treatment."
Dr. Gary Goldberg Associate Professor Dept. of Molecular Biology	Phone: 856-566-6718 Email: gary.goldberg@rowan.edu	"Cell Signaling and Disease."
Dr. Adarsh Gupta Associate Professor Dept. of Family Medicine	Phone: 856-473-5695 Email: guptaad@rowan.edu	"Obesity and Obesity-Related Metabolic Disorder; Healthy Lifestyle; Technology in Medicine."
Dr. Michael Law Assistant Professor Dept. of Molecular Biology	Phone: 856-566-6266 Email: lawmi@rowan.edu	"Regulation of Developmental Timing."
Dr. Sean McBride Assistant Professor Department of Cell Biology, NJISA	Phone: 646-305-4213 Email: smjmcbridg@gmail.com	"Alzheimer's Disease, Autism."
Dr. Catherine Neary Assistant Professor Dept. of Molecular Biology	Phone: 856-566-6373 Email: nearycl@rowan.edu	"Cellular Stress Response Events in Cell Death Signaling."
Dr. Joanna Petrides Assistant Professor Dept. of Family Medicine	Phone: 856-566-6885 Email: petrides@rowan.edu	"Mental Health, Mental Health and Primary Care."
Dr. Venkat Venkataraman Assistant Professor Dept. of Cell Biology	Phone: 856-566-6418 Email: venkatar@rowan.edu	"Molecular Mechanisms That Underlie Alzheimer's/Pain."
Dr. Rebecca Moore Associate Professor Dept. of Family Medicine	Phone: 856-566-6085 Email: moorer@rowan.edu	"Analysis of Patient Preference for Location of Care."

If you have an interest in any of the above projects please reach out right away to the contact person for that department.

NOTE: The **deadline for application submissions** is **(Monday) February 6, 2017**. The **2017 SMRFP Instructions/Guidelines and the Application Cover Page** are available at <http://www.rowan.edu/som/research/smrf>. Use your Rowan credentials when logging in to access this information

If you have any questions, or difficulty accessing the above mentioned hyperlink and/or documents, please contact the Office of the SOM Dean for Research at 856-566-6066.

Thank you.
