

Application Guide

1. Go to <https://apply-global.rowan.edu/apply/>
2. Create or use an existing account and log in

Rowan University Graduate Applications

You are on your way to success with Rowan University!

Identify which type of applicant you are below, then follow the instructions for that application.

Graduate Applicants (Domestic)

1. First-time users: [create an account](#) | Returning users: [log in](#)
2. Once logged in, click **Start New Application** at the bottom of this page.
3. Choose **Graduate Application** from the drop down.

Graduate Applicants (International)

Non-TBES International Students*:

1. Please [complete the Graduate International application](#).
2. If you have any questions, please email admissions@rowan.edu.

If you are applying to a TBES program, please follow the instructions below for TBES Applicants.

*You are considered an international student if you hold, or will need to obtain, a non-immigrant visa such as a student visa (F-1) or an exchange visitor visa (J-1). If you are a U.S. citizen, U.S. permanent resident, U.S. refugee or asylee, pending permanent residency, NJ Dream Act/DACA or undocumented citizen, you're considered a domestic applicant.

TBES Applicants*

1. First-time users: [create an account](#) | Returning users: [log in](#)
2. Once logged in, click **Start New Application** at the bottom of this page.
3. Choose **TBES Application** from the drop down.
4. If you have any questions, please email TBESAdmissions@rowan.edu.

*Domestic and International Rowan-Virtua School of Translational Biomedical Engineering & Sciences (TBES) Applicants

Graduate (Visiting/Non-Matriculated)

1. If you have never attended Rowan University, or are no longer active in Rowan systems, please complete the [Graduate \(Visiting/Non-Matriculated\) Form](#).
2. Once activated, you will receive an email with instructions for setting up your Rowan NetID account and registering for courses.
3. If you have any questions, please email registrar@rowan.edu.

Non-matriculated students have not been formally admitted to Rowan University. Non-matriculated students may enroll in classes only on a part-time basis. Non-matriculated applicants are permitted to accumulate no more than 9 credits of graduate coursework until accepted and matriculated into a graduate program.

Account Log In Details

First-time users: Start by [creating an account](#). An email will be sent to you with a temporary PIN and instructions that you can use to sign in for the first time. Once you have finished, you can begin your application by clicking **Start New Application**.

Returning users: If you already have an account, [log in](#) to continue your application. If you have already submitted your application and created your password, [click here](#) to access your Status Page to view your checklist items, admissions decision, and more.

Forgot your password? If you have forgotten your password, [log in](#), then click **Forgot Your Password?** to enter your email address and birthdate to receive a temporary PIN to reset your password.

Returning users:

[Log in](#) to continue an application.

First-time users:

[Create an account](#) to start a new application.

Instructions

Please read and print these instructions carefully before completing the application form.

Submitting Your Application

Once you have submitted this graduate application, you should receive an email confirmation. This and all future correspondence will be sent to the email address your account was created under. Please be sure to use an email address that accepts incoming emails from outside sources. Please also be sure to check your spam/junk folder if you experience issues receiving email notifications. If for any reason you do not receive these notifications, please contact Rowan-Virtua School of Translational Biomedical Engineering and Sciences (TBES) at 856-566-6282 or TBESAdmissions@rowan.edu.

Once your completed application form is submitted, please be sure to review the additional checklist items provided in your portal as these materials are mandatory and must be received to complete your application. Your application will not be reviewed or issued an admissions decision until it is complete. Application deadlines vary by term and by program. Please be sure to check [here](#) for deadlines for your specific program.

Rowan University collects demographic information (race, ethnicity, age, gender, location) on admission applications for institution, state and federal reporting purposes only. This information is not used during the decision process.

Academic Records

Academic records from all institutions where courses were taken must be sent to the Admissions Office. When requesting your official transcripts from the Record's or Registrar's office of your former institution, please opt to have them sent electronically. Rowan accepts electronic college transcripts submitted through [NJ Transfer](#), National Student Clearinghouse, Parchment and others, as well as official paper transcripts mailed directly by the Records or Registrar's Office of the issuing institution. If you must enter an email with your request, send to electronic-transcripts@rowan.edu. Transcripts must meet certain standards to be considered official. If a physical address is needed, send any paper records to: Rowan-Virtua School of Translational Biomedical Engineering & Sciences, Attn: Admissions, Rowan Medicine Building, 42 East Laurel Road, Suite 2200, Stratford, NJ 08084.

Financial Aid

Applicants wishing to be considered for financial aid must submit the Free Application for Federal Student Aid (FAFSA). The FAFSA may be completed and filed electronically [here](#). Rowan University's federal school code is 002609. Rowan University's Financial Aid (Stratford campus) contact email is stratfinaid@rowan.edu.

Rowan is committed to educational accessibility

Rowan is committed to offering "diverse scholarly and creative educational experiences, pathways, environments, and services to meet the needs of all students" (see our full mission statement by [clicking here](#)). In support of that mission, Rowan may share some select applicant information with our area partner institutions.

Nondiscrimination at Rowan University

Rowan University does not discriminate on the basis of race, color, age, sex, religion, creed, national origin, sexual orientation or disabling condition. University policies are consistent with federal and state laws pertaining to equal opportunity in admissions and education policies and in scholarships, loans, athletics and other school-administered programs.

Pursuant to Title IX of the Education Amendments of 1972 and supporting regulations, Rowan does not discriminate on the basis of sex in the education programs or activities that it operates; this extends to admission and employment. Inquiries about the application of Title IX and its supporting regulations may be directed to the Assistant Secretary for Civil Rights, Office for Civil Rights, U.S. Department of Education or to the University's Associate Vice President and Title IX Coordinator:

Brandy Bennett
Title IX Coordinator

Rowan University
Hawthorn Hall #312
201 Mullica Hill Rd, Glassboro, NJ 08028
bennettb@rowan.edu
856-256-5830

Please reference the [Title IX Sexual Harassment/Sexual Assault Policy](#) which includes our grievance procedures.

Rowan Admissions Office protects your privacy by limiting access to your application materials to those officers and employees of the College officially concerned with the admissions process. Your application materials are not made available to any other persons or agencies without express legal authority. All material submitted in connection with your application will become part of our confidential admissions files. At no time will you have access to them. Once application materials are submitted to our office, they become the property of Rowan University and will not be returned or duplicated.

Program of Study

Please select your intended program of study. Additional fields will then appear to refine your selection and allow you to choose your preferred entry point.

Intended Program of Study

- Anatomical Sciences Certificate
- Anatomical Sciences M.S.
- Biomedical Science M.B.S.
- Histopathology M.S.
- Master of Translational Orthopedic Device Engineering**
- Molecular Cell Biology and Neuroscience B.S./M.S.
- Molecular Cell Biology and Neuroscience D.O./Ph.D.
- Molecular Cell Biology and Neuroscience M.S.
- Molecular Cell Biology and Neuroscience Ph.D.
